Preschool School Supply List 2020-2021

Please write your child's first and last name on all school supplies in permanent marker. The school will provide pencil boxes that are uniform for storage purposes.

- 5 cloth masks that can be washed (a fresh mask must be worn to school each day, and a spare left in the child's bin at school)* (If you prefer to buy disposable masks for your child, that is fine, but a new one must be worn each day.)
- 1 spare change of clothes (underwear, socks, pants, shirt)
- 2 sets of sheets for naptime (fitted crib sheets work best)*#
- 1 blanket for naptime *#
- Optional: pillow for naptime (pillow must be washable or have a pillowcase cover that can be removed)*#
- Backpack
- Lunchbox (all food must be contained in child's lunchbox – separate/loose items or containers will not be permitted) (a second lunchbox for your child's snack items is fine if more space is needed or you wish to keep your child's lunch and snack items separate)
- Reusable water bottle with a straw or some sort of lid to sip from that closes
- Snow boots for outside play in winter
- 3 boxes of Kleenex for the classroom
- 24-count crayons
- 12-count washable markers
- 2 large erasers (big enough for children to hold in their hands and use easily)
- 3 dry erase markers
- 1 dry erase eraser
- 8-color washable watercolor set (with paintbrush)
- 2 Elmer's glue sticks
- 1 bottle Elmer's white glue
- 1 pair child safety scissors

**These items will be sent home to be washed on a weekly basis (the mask worn each day will be sent home that day).*

If your child will only be attending school for a half day (8:00-12:00), you do not need to bring the items listed for naptime.

In order to help minimize the spread of germs, this year we will not be permitting students to bring toys from home. The toys at school will be, as always, regularly cleaned per health department regulations.

Please feel free to reach out if you have any questions regarding any of the items on this list!
